PRAYER: for our upcoming summer camp Watermarks trip. Pray for many students to be able to attend this year, and for finances not to be the reason they can't attend. Pray for the planning that goes into this trip and for God to do a mighty work in the lives of each student and leader who participates.

PRAYER: for our upcoming mission trip to Florida. Pray for the many teams who will be a part of this World Changers experience and the families whose lives will be impacted. PRAISE for the students who have already received all of their support for the trip. God is so good!!

PRAYER: for waves 8<sup>th</sup> grade student Dakota Sullivan's brother Lane. He had been battling cancer, and was doing well, but has recently been told that the cancer has returned. Pray for his treatment and his health throughout.

PRAYER: for waves student Ian Kincaid and his mom Janet Grace. They have recently had to put their home on the market. Please pray for a quick sale and a good and fair price. Pray also that they can find a place to move into that would be in the same school district for Ian. Pray for peace and God's will in this situation.

PRAYER: for waves student, Jonathan Gorski, who recently asked Christ into his heart and wants to be here at Shores every Sunday. He has been unable to do that because he only spends every other weekend with his Dad who brings him to church. Pray for God to move in his mom's heart and make it possible for him to be here at church more often.

PRAYER: for waves leader Robin Grosso's health, because she has been dealing with some medical issues lately.

PRAYER: for the many families in our church who are struggling with marriage issues. There is a real attack on our homes and families in this area right now and we need to lift each other in prayer.

PRAYER: for **all** of our waves families impacted by military deployments. Pray for the military men and women who are away – for their safety and spiritual walk while away from home. Pray also for the parent who is left behind and is handling the household on their own
